Hiram:

I need your help to clear this pressing matter on these two (2) lots that have always belonged to the city of La Joya. Years back when we (city) purchased this two properties during an auction held by the county. I being the City Administrator purchased those properties for the city and was able to purchase two other lots for me personally.

Hiram I don't know why the confusion, but apparently your firm or the county placed this two lots #217 and #203 that belong to me personally. I have sent correspondence numerous times to clear this matter, but as you can see we continue to receive "Notice of Tax Lien" for these lots. (**See Attached**)

Can you please take care of this matter. If you have any questions please feel free to contact me here at my office at 956-600-7623 or to my mobile number at 956-[REDACTED].

Respectfully,  
Mike Alaniz  
City of La Joya  
City Administrator
